The District Tournament starts tonight for Parkland. Nazareth had a play-in game on Tuesday, defeating Liberty 5-1.

These two teams have had some great battles over the years. This season, Parkland defeated Nazareth 4-2 in early September and 2-0 in early October. Last year, Nazareth took Parkland to double OT in the EPC final so Parkland is fully aware of the magnitude this game can be.

The team had a nice break since the EPC final and there has been a great deal of focus this week at training. This is the time of year that some little things get cleaned up and the girls have done a great job of maintaining that agenda.

Tonight’s winner will play the winner of Pleasant Valley and Pocono Mountain East. On the other side of the bracket, Emmaus plays Freedom while Northampton plays Easton. Winners will face one another in the semis on Tuesday, location and times to be determined.

The EPC Championship victory was the 6th straight championship for the Lady Trojans. Nine straight appearances with 8 victories has left a mark in the Valley. On the District side, PHS is vying for its 5th straight District Title. Last year in winning their 4th straight set a Lehigh Valley record in that no girls’ team in any classification, ever won 4 in a row. Five in a row is a team goal, but it starts one game at a time with the Blue Eagles being a tough opponent tonight.

EGG Roulette
For the 4th year in a row, seniors wanted to play egg roulette...until that first egg breaks. More photos to come.
